Johanna Canlas, City Attorney, stated that there was a community issue in terms of the condition of 771 Santa Florencia property, that after a long effort to work with the property owner without avail with no response to the pleadings filed, the City had filed a court action of abatement which granted an order to appoint a Receiver to oversee abatement of the property, that during the initial inspection by the Receiver the property owner did not respond, so through the court system the City was now able to address this public nuisance.
